

ANGELS DUST RESERVE  
HAWKES BAY  
SYRAH

## 2007 Highlights

### Gold Medal

“Strong attractive cedarwood notes on the nose together with ripe, spicy damson fruit. A big, chewy wine packed with powerful tannins and fruit. A big wine, yet beautifully made.”

*2009 Liquorland Top 100 International Wine Show Judging Panel*

### Blue-Gold Award, Top 100

*Sydney International Wine Competition 2010*

### 5 Stars, Top 5

“Dark and fragrant with spice, this wine is rich and interesting. Succulent berry fruit of good depth is underpinned by a savoury tannic backbone.”

*Cuisine NZ Syrah Tasting, July 2009*

### 4 ½ Stars

“Instantly attractive Hawke’s Bay red with deep, youthful colour and a scented, intensely varietal, very ripe and peppery bouquet. Classy and rich, with deep blackcurrant, plum and black pepper flavours, a hint of dark chocolate, gentle tannins and lovely texture.”

*Michael Cooper’s New Releases – Winestate – July/August 2009*

### 5 Stars, Equal Top in Category

*Winestate Shiraz/Syrah and Blend Tasting, September/October 2009*

### New Zealand Top 10

*World’s Greatest Shiraz Challenge – Winestate - October 2009*

“There’s nothing too angelic about this very smart red made by a subsidiary of high-flying Craggy Range. Unless, of course, you’re talking about the beautiful texture that envelopes the black currants, the plums and the pepper that fill the mouth. Great buying.”

*Warren Barton – The Dominion Post, Warren Barton’s Christmas Wine Guide – December 2009*

### 5 Stars

“Classic cool climate shiraz with a distinct white pepper nose and subtle aniseed and fennel tones. Pepper also dominates the palate but there’s also strong fruit characters and good tannin strength.”

*Michael Cooper – Best Wines of 2009, Style Tastings - Winestate Annual 2010 Edition*
